Speakers

Zalina Shamsudin
General Manager
Capital Markets Malaysia

Zalina is currently General Manager for Capital Markets Malaysia (CMM), an affiliate of the Securities Commission Malaysia mandated with promoting Malaysia's capital market both domestically and internationally. Zalina joined CMM in June 2014 as Head of Strategy and Business Development.

In the space of sustainable finance, Zalina initiated and led the Secretariat for the Malaysian Green Finance Taskforce in 2019 which resulted in policy and market operation recommendations. In 2020, Zalina developed a three-year strategy on how to enhance the depth and breadth of sustainable finance in Malaysia. The various initiatives put in place resulted in Kuala Lumpur being recognized and invited to be a member of FC4S as the sustainable financial centre. Zalina is currently leading a working group on Transition Sukuk, and is a member of various industry and government advocacy platforms on sustainable finance, biodiversity, green construction and halal fintech.

Zalina has over 20 years of experience, predominantly in corporate advisory, and has worked in five countries in different regions of Asia, the Middle East and the Indian subcontinent.

Gwee Chai Hong, Julie
Head, Debt Markets
MIDF Amanah Investment
Bank Berhad

Ms. Julie Gwee joined MIDF Amanah Investment Bank Berhad ("MAIB") in August 2012 as a Director in Corporate Advisory and Structuring and has since advanced to be the Head of Debt Markets.

Julie has 22 years working experience, 20 years of which are in debt markets, investment banking and corporate finance. She has accumulated vast experience through various transactions which includes project financing, debt capital market transactions, structured lending, mergers and acquisitions, reverse take-overs, corporate restructuring, initial public offerings and privatisations.

Julie is a Chartered Banker and received her MBA (Finance) from Nottingham Trent University, United Kingdom (in collaboration with Olympia Business School) and Bachelor of Commerce (Economics & Finance) from Curtin University of Technology, Australia.
